WSU Area Health Education Center and CLEAR Trauma
Center**

Washington State University

Dr. Christopher Blodgett is a Washington State University faculty member and a licensed clinical psychologist. Chris has been the Principal Investigator for more than three dozen federal and national foundation grants addressing high-risk children and families. He is the Director of the National Child Traumatic Stress Network's CLEAR Trauma Center at WSU. Chris and his team partner with communities and systems to adapt the science of resilience, brain development, and trauma treatment to better address trauma resulting from childhood adversity. Now funded by multiple federal and philanthropic grants, this work documents the profound and immediate consequences of ACEs tests practical actions to improve child, family, and system outcomes.
